FALL 2008

Communication communication communication

Whether we are aware of it or not communication is one of the most essential abilities we share as humans. Without it we are, so to speak, “on our own”. As we get more immersed in the technology age, human connections get harder to find. But in many ways, it is this relationship that we long for, many times unknowingly. We can virtually go through our daily lives without talking to anyone in person! It is this essential quality and the need for the “personal” connection that defines our service at Skippack Travel and separates us from our competition. Please take the time to consider the enclosed flyer and participate in our “Mail” inquiry. As well as being fun, it is a sure way to keep our communications open, to keep our spirits high and to stay connected.

Quote Of The Day “A pleasure is not fully grown until it is remembered” C.S. Lewis

“WE WON AGAIN”
We are happy to announce that we won the “North Penn Readers Choice Award” for the 9th consecutive year! Placing **FIRST** over the “Big Chain Agencies” keeps our enthusiasm for our motto, “Individual Personalized Service”. We are truly a “Boutique” style agency, and now that our office is completely refurbished, we have the ambience to go with it. So... come see for yourself”

“NEW OFFICE” PARTY
Saturday Sept 13
12:00 Noon – 5:00 PM
Summers over-Feeling Down?
“LETS HAVE A PARTY!”

Our new office is a reason to celebrate. Please visit our office for a toast and refreshments and feel free to bring any pictures you want to share from one of your trips planned through our agency. This is the place where people will want to see the joy you had in traveling. You may just run into someone who you traveled with in the past. There is nothing like a connection to keep our spirits up. You will also be able to stroll through

the village to enjoy the annual “Skippack Village Sidewalk Sale”, but be sure to budget for travel, as experiences will ultimately be more rewarding than material things.

EUROPE GROUPS

We will be presenting some new as well as repeating some very popular destinations for our groups in 2009. Because of our European contacts we are still able to offer moderately priced tours and stay very competitive. We are using a new hotel for the February Pairs tour. It is located just a short walk to the Arch de Triumph. A new tour for 2009 is our “Backroads Of the Swiss Alps” in April, AND we are working on a 13 Day Historic Cities and Yangtze River Cruise in China/May 15th. Call for more information.
